Hampton's Going to the Dogs...Again!

The long awaited opening of the Bark Park at Sandy Bottom Nature Park has arrived. Hampton's second dog park opened on September 1st but the official Grand Opening is scheduled for this Saturday, September 20th from 11 a.m. to 3 p.m. A variety of dog-friendly activities are planned including:

- Dog Obedience Demonstrations with Bark Park University graduates
- 10 Bones Bakery will be selling their special treats - dogs dig 'em
- Pet Portraits by Carol - Bring your favorite costume or fall fashions

So, grab your leashes, load up the dogs and join us as we celebrate our "new addition".

The wooded, lake-front setting of Sandy Bottom's Bark Park offers members a striking contrast to the open spaces and beach-front breezes of Buckroe's Park. With the annual membership including access to both parks, members can now enjoy either of these unique sites, both of which will be open year-round for your fun and convenience.

For more information on the Sandy Bottom Bark Park, call 825-4657, via e-mail at sbottom@hampton.gov or 727-8311.
